#	Description of Issues & Areas of Concern
1	Vehicular vs. pedestrian safety conflicts at mid-block crossing, curbside conditions within PUDO zones, alley congestion, overall significant inability to satisfy transportation capacity requirements during periods of peak demand
2	Safety conditions for pedestrians crossing to and from 307 K Street NW
3	ADA accessibility issues due to Zicla installation at New Jersey Avenue NW & K Street NW as well as parking removal at 43 K Street NW (SeVerna on K Apartments)
4	Change in road conditions resulting from New Jersey Avenue NW two-way project leading to multiple single-vehicle accidents at this location
5	Traffic calming required in support of pedestrian & bicyclist safety and future park access
6	Safe crossing required in support of current pedestrian desire line
7	Underused lane capacity on 800 block of 4th Street NW & vehicles traveling westbound on H Street NW performing illegal U-turns to enter I-395
8	Chaotic vehicular convergence at 4th & I Streets NW and resulting pedestrian safety conflicts
9	Safety improvements underway at 900 block of 4-1/2 Street NW & Prather's Court NW ("Prather's Alley") including plans to calm traffic within the alley and convert the street to one-way operations south.
