TRIANGLE DC

**WELCOME TO MVT!**

**Greetings New Neighbor!** It's a pleasure to welcome you to Mount Vernon Triangle—a dynamic, inclusive, and attractive mixed-use neighborhood and convenient destination in the heart of downtown that is a great place to live, work, thrive, and enjoy.

Since 2004, the Mount Vernon Triangle Community Improvement District (MVT CID) has redefined what it means to live in the centrally located East End of Washington, DC. Our team is constantly working to ensure that your experience in our neighborhood is the best and most memorable that it can possibly be. We do so by providing clean and safe services, organizing community events, promoting economic development opportunities, mobilizing public support toward a common vision for community needs (such as safe and reliable transportation and mobility options and additional greenspace), and serving as a trusted liaison with local, federal, and non-profit partners to address neighborhood challenges when they arise.

As your Community Improvement District, we strive to create long-lasting partnerships among neighbors and foster enduring connections within our community. Because **#MVTogether**. Some of the ways we work alongside our stakeholders and partners to make significant and lasting impacts while building community include:

- Open year-round, Mount Vernon Triangle hosts one of the area's best and fastest-growing outdoor farmers markets. More than just a place to visit and shop, the **FRESHFARM MVT Market** has become a popular Saturday destination and opportunity to share in the special joy of being together with friends, neighbors, and pets.
- Community in Mount Vernon Triangle is fostered when we create opportunities for neighbors to gather and engage. Mount Vernon Triangle is known for its fun, family-friendly events. Visit the **Events** page on our website – **MountVernonTriangle.org** – to view a list of exciting happenings in and around MVT.
- Promoting Mount Vernon Triangle's resources and amenities supports greater civic engagement and community pride among residents and office workers while enhancing our visitor destination appeal. Explore the diverse mix of restaurants and retail opportunities just steps from home including shops, services, worldly cuisines, fast casual and fine dining options, and everything in between! Check out the retail map on the reverse side of this letter, use one or more of the many discount offers that some of our businesses have graciously provided as a neighborhood welcome, and discover the endless possibilities that exist in Mount Vernon Triangle.

We're confident that you'll soon come to enjoy the best of what **#LifeInMVT** has to offer.
